**E means the Achievement Standard is assessed externally at the end of the year.  
I means the Standard is assessed internally.**

This course is for students who have struggled with junior English and for whom the Level 1 English Achievement Standards course may be more successfully taken in Year 12. Standards offered may vary to best cater for students in the class.

#### **What will I learn?**

This is an alternative to the Level 1 English Achievement Standards course. It includes the study of written, oral, and visual communication techniques through drama, written text, visual presentation and seminars.

#### **How will I learn?**

Students will learn by studying course material which is appropriate to their ability level and prepares them for Unit Standards or the Certificate in Practical English exams. The course is taught in units which cover a range of English skills.

#### **What should I have already done?**

The English work students have done in Years 9 and 10 provides background.

#### **Where does the subject lead?**

Upon successful completion students will be eligible to move into a Level 2 English course.

#### **How is the course assessed?**

Achievement Standard and unit Standard assessments.
