**E means the Achievement Standard is examined externally at the end of the year.  
I means the Achievement Standard is examined internally.**

### **What will I learn?**

Students will learn to develop an understanding of existing Art methods and ideas by the in-depth study of how artists and designers work; what processes they use and how themes are developed in Art, using this knowledge and applying it to their work.

### **How will I learn?**

Students must select one of the following options working in 2 dimensions – painting, print-making, photographs etc OR 3 dimensions – sculpture etc OR solving design problems. This begins with a chronological visual glossary of modern painting/sculpture/design.

### **What should I have already done?**

Year 10 Art option students who did not attempt NCEA Level 1 Art may not be admitted.

### **Where does the subject lead?**

NCEA Level 3 Art, as well as developing artistic skills and ability which enhance possibilities at a higher level – University, Art School, Technical Institute or Community Colleges.

### **How is the course assessed?**

The course is assessed internally each term and by a final portfolio presentation of three sheets.
