

## **OKAIHAU COLLEGE POLICY: Quality Management System**

---

### **PURPOSE:**

The Quality Management System at Okaihau College will aim to fulfil the mission statement.

### **POLICY:**

The Okaihau College Quality Management System will:

1. Reflect the special nature of Okaihau College.
2. Have consistent school wide policies, procedures and evaluation.
3. Be developed in consultation with all those involved or interested in the delivery of education within the school and in the community.
4. Be dynamic and able to respond to changing needs and conditions.
5. Document responsibilities of those involved.
6. Be evaluated on a regular basis.

### **PROCEDURES:**

1. A Strategic and Annual Plan developed from the Mission Statement, sets out the medium and long term goals of Okaihau College.
2. The Quality Management System ensures the development of policies and procedures to implement the Strategic Plan.
3. Annual School Goals will be set each year by the staff and Senior Management Team, in consultation with the BOT.
4. Staff in charge of programmes will annually review all programmes in their curriculum area.
