

OKAIHAU COLLEGE POLICY: Professional Development

RATIONALE:

Professional development is a requirement and an entitlement for all staff. The focus of staff professional development is student learning.

GUIDELINES:

1. The appraisal process is one mechanism for identifying professional development needs.
2. Professional Development may be accessed through the school-wide Professional Development fund.
3. Staff are encouraged to undertake study to improve qualifications relevant to their responsibilities.
4. Aligned to school-wide goals.
