

Principal's Panui

I encourage you come and enjoy our Kapa Haka performance on the 23rd even if you have seen it screened on-line; it is even better live. I also encourage friends and whanau to come along and help us to celebrate our students at our Celebration Assembly – it will be an excellent occasion.

Celebration of Excellence Assembly

At 10.00am on Wednesday 23 May we are hosting our first Celebration of Excellence Assembly for the year. A number of students are being recognised for their achievements in sports, service and academia. The recipient's families have all been invited to attend the prize-giving.

Kapa Haka Roopu Performance

In the evening of Wednesday 23 May, our kapa haka roopu (Nga Wheinga a Rahiri) will be holding a special performance in the school hall. This performance will be at 6.00 p.m., but refreshments will be available from 5.00pm - 6.00pm.

All welcome. Koha entry fee, and bring money for the kai.

Kapa Haka Practice Cancelled

The Kapa Haka practice that was to have been held tonight (Friday 11th) has been cancelled.

Not Even Once – Saying No to Meth (P)

A community event for families and the public, providing quality education regarding Methamphetamine (P) and the dangers that it poses to our communities.

MethCon presentations are extremely visual and hard hitting, exposing the real truth behind this drug. You will laugh, you may cry, you could be horrified, but you will definitely be enlightened by the experience. This is an 'eye opener' like no other, and if you are looking for food for thought, this is a feast like no other you will have experienced.

Dale Kirk is a former Police Drug squad detective and leading educator on the subject. He has spoken to thousands of people including High School students, community groups, Government departments and private sector companies throughout New Zealand. He is passionate about eliminating demand for Meth in New Zealand.
