

Principal's Panui

This week we have enjoyed a visit from an ERO Review Team. There was a positive atmosphere throughout the visit in all aspects. In her parting remarks to staff the team leader said how much they had enjoyed their visit and praised students and staff. I am also grateful to those whanau who gave generously of their time to meet with ERO on Wednesday night. Well done our school.

Year 8 Whanau Lunch

The Year 8 Totara Whanau cooked lunch for their whanau on Wednesday this week. The Food Technology room was a hive of activity during preparation and whanau were treated to a variety of lunch plates that each group of students had decided to cook for them.

Mid-Year Reports

Parent / Teacher Report Evening

Tuesday 3rd July, 4.00pm - 6.30pm
In the school hall

Formal Mid-Year Reports have been issued to all students. Year 13 reports were issued on Friday 22nd June 2018. Year 7-12 reports were issued on Wednesday 27th June 2018.

Please ask your student to make an appointment with each teacher you wish to see using the sheet included with the report; we recommend at least a five minute gap between appointments.

Please bring your student's report with you. We look forward to seeing as many parents and caregivers as possible.

BEAST Run

Good luck to the team running the Secondary Schools edition of the Fullers Greatsights Bay of Islands BEAST Run on the last day of term. The tough 5.5km course goes over rolling countryside; navigates swamps, river crossings, a little bit of mud, some very steep hills and traverses rugged uneven terrain.

You will receive a bottled water and a banana at the finish area. There are NO drink stations on course.

Year 13 Auckland Trip

Jenny Griffin has been in contact with us, and has reported that the Year 13 Auckland Trip is going really well. Thirty nine students are getting the opportunity to look around tertiary institutes (in both Auckland and Hamilton) and participate in work experience and other activities this week.
