

Principal's Panui

On Wednesday I had the pleasure of attending 7SW's Whanau Breakfast (you can watch the video on our web site). There was a great turnout of whanau who enjoyed a well prepared and varied meal. It was particularly pleasing to see the students, without being directed, start on the clean up. Well done to all who participated and especially to Ms Henderson for her direction and calm demeanour.

Year 10 Food Technology

Year 10 Food Technology exam last week was a hive of industry as the students prepared a three course lunch for whanau and staff. It was superbly presented and enjoyed by all their guests. Well done everyone!

Swim For Life

This week our Year 7 and 8 classes attended a Dryland Session of the Top Energy Water Safe Programme with instructor Tracy Mackey. The students learnt valuable skills to help keep them safe over the Summer months. We will be running pool sessions in Term 1 2018.

7SW Whanau Breakfast

In just one hour students created a very attractive and well-cooked array of delicious breakfast menus. It may have looked like chaos but it was organized chaos as every student knew which part they were responsible for. Menus included French toast, crepes, eggs Benedict, egg McMuffins, scrambled egg, fruit kebabs and smoothies or hot chocolates as the accompanying drinks. Tables were beautifully set including flowers.

There was tremendous support from whanau which was awesome and we could tell whanau were very proud of their tamariki. Well done 7SW for outstanding kai and outstanding effort and group co-operation.

School Magazine

The school magazine is due back from the printers in the last week of school. Pre-ordering and paying for your magazine is recommended as there will be limited copies available. Order your copy NOW at the Main Office or Student Centre. \$15 each. Please note this was not on your accounts earlier in the year so you will have to order now to secure your copy.

The school magazine is a comprehensive compilation of every thing that has happened at school this year; events, activities, trips, class photos, etc.
