

## Principal's Panui

With only 9 school days to go it is important that our junior students keep their focus. They need to come to school on time, correctly dressed and with all necessary equipment for a successful day. This is particularly important as they enjoy activities outside their normal routine.

## Blomfield School Visit

On Friday the PE Department hosted students from Blomfield School from Whangarei and our Rangimarie students for a sports day. Our senior students helped run the games which the students enjoyed in the Gym. This is the second year we have run this event and the students enjoy the interaction with other students.

## Asia Culture Club

Last Friday the 'Asia Culture Club' got together for a shared lunch (Rice, Udon Noodle Soup and Indonesian style chicken). We are also celebrating the start of a new Google Hangout online connection with students in Yogyakarta, Indonesia and we look forward to chatting with them and exchanging information about each others countries and cultures!
