

Principal's Panui

This a busy term for many reasons, particularly with the number of sporting events being offered. While it is great to see our students' enthusiasm for participation and their successes we need to recognise the need for balance, especially for our seniors, between sports and their academic requirements. For some that will involve prioritising what sports they will participate in.

Celebration of Excellence Assembly

We are due to hold a Celebration of Excellence Assembly in the last week of this term. If you would like to nominate someone for an award; sporting, cultural or excellence, please contact the Main Office for a nomination form.

Ag Club

On Monday this week, we held our first Ag Club activity which was a Junior MasterChef Challenge in the Hospitality Room. Students were divided into their teams, and then had to make a batch of scones and some savoury pinwheels in the allotted time. All students rose to the challenge, and turned out some exceptionally good dishes.

Special mention must be made of our older team members Harry, Josh, Zoe and Jake who were paired up with junior teams and did a fantastic job of supporting them through the challenge.

Students are working towards the Northland Regionals which are being held in Kerikeri next Saturday 17 March. At this stage, we have nine teams entered.

RYDA Programme

Year 11 Students will participate in the Rotary Youth Driver Awareness programme on Senior Curriculum Day next Tuesday 13th March.

The RYDA Programme is to provide first quality road safety information to youth helping to ensure that when they commence driving they have received the best possible road safety education.

Disco

There is going to be a Disco from 5.00pm - 7.00pm next Friday 16 March for Year 7 and 8 students.

Tickets are available from the Main Office for \$5 each.

The ticket price includes sausage sizzle and a glo-stick. Other food and refreshments will be available on the night.

Massive thanks to the Year 13 students who are organising this for our junior students.
