

Principal's Panui

On Wednesday we had an assembly to formally acknowledge our Student Leaders for 2018. We choose to have these leaders in various areas of our school life for a variety of reasons, chiefly to enable these students to gain experience in leadership in an aspect of our school that they have a particular interest in as well as making a valued contribution.

Top Energy Watersafe Programme

Once again we were lucky to have the opportunity for our Year 7 & 8 students to attain the fundamental skills to swim and survive. The focus on this programme was to equip our students with the skills to be safe in and around the water. Thank you to Top Energy for sponsoring this programme and our instructors Tracy and Cara.

Celebration of Excellence Assembly

We are due to hold a Celebration of Excellence Assembly in the last week of this term. If you would like to nominate someone for an award; sporting, cultural or excellence, please contact the Main Office for a nomination form.
